AFFIX PRO LABEL HERE	CARRIER BILL CHARGES TO: Complete Distribution Services, Inc. ("CDS") PO Box 230517 Portland, OR 97281	
	This is to certify that the herein-named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.	FREIGHT CHARGES CDS is solely and exclusively responsible for payment of carrier's freight charges.

RECEIVED the property described above in apparent good order, except as noted (contents and conditions of contents of packages unknown), marked, consigned, and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver another carrier on the route to said destination. The terms, conditions and provisions of the Broker-Carrier Transportation Contract executed between CDS and carrier apply and are incorporated by reference. CDS is a broker, not a carrier, and is not liable for cargo loss, damage and delay and personal injury and property damage as a motor carrier, but as an FMCSA broker only.

Monitored at all times the Hazardous Material is in transportation including storage incidental to transportation (Section 172.604)
 * Mark with an "X" to designate Hazardous Material as defined in the Department of Transportation Regulations governing the transportation of hazardous materials. The use of this column is an optional method for identifying hazardous materials on bills of lading per Section 172.201(a)(1)(iii) of Title 49, code of Federal Regulations. Also, when shipping hazardous materials, the shipper's certification statement prescribed in Section 172.204(a) of the Federal Regulations must be indicated on the bill of lading, unless a specific exception from this requirement is provided in the Regulations for a particular material.
